Dear Mr. Fazekas:

This letter will acknowledge the assistance you provided to the Hamilton Police Service in connection with a recent homicide. The security system you provided to United Trophy records fairly high-quality images, even under streetlighting at night, which greatly assisted our investigators. Your willingness to spend several hours away from your office to assist our Video Technician to recover video footage shows the dedication you provide to both your customers and the Hamilton Police Service.

I understand that you have provided similar assistance in the past, notably in connection with a fatal motor vehicle collision also in the vicinity of United Trophy. This public-spiritedness is a great asset to the community and is greatly appreciated.

Yours truly,

John Petz
Superintendent
Investigative Services Division
Hamilton Police Service
